Click download or read online, and All You Can Ever Know: A Memoir can you get on your phone.

What does it mean to lose your rootsâ€”within your culture, within your familyâ€”and what happens when you find them?

Nicole Chung was born severely premature, placed for adoption by her Korean parents, and raised by a white family in a sheltered Oregon town. From early childhood, she heard the story of her adoption as a comforting, prepackaged myth. She believed that her biological parents had made the ultimate sacrifice in the hopes of giving her a better life; that forever feeling slightly out of place was simply her fate as a transracial adoptee. But as she grew upâ€”facing prejudice her adoptive family couldnâ€™t see, finding her identity as an Asian American and a writer, becoming ever more curious about where she came fromâ€”she wondered if the story sheâ€™d been told was the whole truth.

With warmth, candor, and startling insight, Chung tells of her search for the people who gave her up, which coincided with the birth of her own child. All You Can Ever Know is a profound, moving chronicle of surprising connections and the repercussions of unearthing painful family secretsâ€”vital reading for anyone who has ever struggled to figure out where they belong.
